

East Coast Pilot – Third Edition Updates

Updates for December 2011

Page

111	Thames Barrier Notice Boards: text, right-hand column, para 2 - this notice board, and the identical one at Blackwall Point (see P114), no longer have any flashing lights or audio facilities. Instead they now display only the London VTS VHF Channel and phone number, and the CEVNI sign ' <i>Stop as required by regulations</i> '.
114	As above
