

Based on soundings taken in April 2018 by HARWICH HAVEN AUTHORITY with additional soundings on behalf of W&FYC in March and April 2018. Approximate depths in metres reduced to Chart Datum Harwich.

This sketch is for guidance only and is not to be used for navigation.

Depths are subject to constant change and will be different from the values shown in the sketch. Channel boundaries shelf steeply, be aware of strong tidal flows generally and especially on the ebb where the tide sets onto the Mussel Scarfe between buoys No.9 to No.10. Use extreme caution throughout this area. Neither Harwich Haven Authority, Walton & Frinton Yacht Club or the publisher accept any liability for the use of information contained in this sketch.
